

Do you consider yourself to be Hispanic, Latino, or Spanish or to have Hispanic, Latino, or Spanish origins?

Public survey data from the Extreme Weather and Society Survey, run by The University of Oklahoma's Institute for Public Policy Research and Analysis. 17,785 US adults answered this question about severe weather across the 2017–2025 waves. Bars show the weighted percentage of each age group giving each answer; every wave is raked to American Community Survey benchmarks for age, gender, race, education, income and region. The smallest group, 18–29, has 3,322 respondents. This question is stored as hisp in the survey data, which is available at dataverse.harvard.edu/dataverse/wxsurvey.
